

WCOVMA Onsite Wastewater
Management Association of BC

2024 Convention & Trade Show

March 14–16, 2024

Kamloops, BC

Delegate Information

Notice of 2024 AGM

Friday, March 15, 2024 @ 5:30 pm
Kamloops Coast Inn & Conference Centre
1250 Rogers Way, Kamloops, BC

All WCOWMA-BC members in good standing are invited to attend the Annual General Meeting being held during the Convention and Trade Show on March 15, 2024, in Kamloops, BC.

NOMINATIONS ARE BEING ACCEPTED FOR THE FOLLOWING POSITION(S):

Vice-President Secretary/Treasurer Directors (2)

NOMINATIONS PROCESS: Nominations may be submitted in advance of the AGM or from the floor during the election portion of the meeting. According to Bylaw Section 6.g, all nominees must be Corporate Members in good standing. A member whose membership fees are due and unpaid or otherwise owes money to the Association is not in good standing.

TERM OF OFFICE: Those elected to the Board of Directors at the 2024 AGM will hold those positions for two years; term of office to complete in 2026.

REQUIREMENTS OF A BOARD MEMBER: Generally, the Board operates as a governance entity, meaning that it sets high level strategic direction as opposed to having a direct hand in the day-to-day activities of the operation. Directors may also be asked to sit on various committees to provide more direct guidance regarding key association strategic objectives. Board Members are not paid, however, reasonable expenses are reimbursed for travel and meals when attending Board meetings or other sanctioned association business. The Board of Directors meets every six weeks via video conference/conference call, as well as a minimum of twice annually face-to-face.

Industries Served

- SEPTIC VACUUMING
- SEPTIC INSTALLATION
- SEPTIC & CISTERN CLEANING
- SEPTIC MAINTENANCE
- DIRECTIONAL DRILLING
- SEWER CLEANING
- LATERALS & MAINLINES

Mark Your Calendars!

The 14th Annual WCIOWMA-BC Convention and Trade Show
takes place in
Kamloops, BC
March 14, 15, & 16, 2024

The 2024 Convention and Trade Show will see us 'Raising the Bar' as we look at ways to make onsite wastewater treatment systems more robust, provide exemplary service to our customers, and run our companies more efficiently.

Delegates to the convention will participate in presentations and training sessions on Thursday, March 14 and Saturday, March 16, between which they have the opportunity to attend the trade show and its attendant technical sessions on March 15.

Whether it is new installations or repairing and retrofitting an existing system, the products and services available to this industry help provide ROWPs with the tools they need to provide that exemplary service to their customers.

One way to make onsite wastewater systems more robust and effective is through the ongoing professional development opportunities available at the convention. Participate in the education and technical sessions to increase your skills and knowledge while collecting your annual CPD points.

We have an exciting presentation schedule planned along with an interesting and interactive trade show. Join us to learn, network, and gain those all important professional development points! We look forward to seeing you in Kelowna!

Networking

One of the biggest values garnered from a convention and trade show is the opportunity to network with the people in your industry.

- Take advantage of the opportunity to discuss industry issues, challenges and solutions.
- Demonstrate the latest products and services available to the onsite wastewater industry.
- Provide an educational or technical session.

Event App

Engage with your fellow trade show and convention participants. Keep track of your agenda and presentation times. Let people know where you are at the show, and post on our Social Media Feed.

Compete against other attendees to win awesome prizes!

Download the APP free from Google Play, Apple Store, or other APP Store.

WHO GOES TO THE SHOW?

- PLANNERS
- INSTALLERS
- MAINTENANCE PROVIDERS
- PUMPERS
